

What do you do...?

👁 32 ✓ 1 ★ 3

Chapter 1 by Neeharika Jaiswal

What do you do...

When there is nothing left to say?

What do you do...

When you can't drive those feelings away?

What do you do...

to make them realize?

To try to fill that silence

after so many tries?

What do you do...

while you wait

What if you never get your answer?

Do you leave it to fate?

What do you do...

to lessen the distances?

What do you do...

when you feel trapped in this maze?

Chapter 2 by R

to let the world fall away

here's the thing

about friends

and enemies

and those who are both

in the in-between

all of your words

and your moves

and your alliances

will fade away

in the breaths of time

here's the thing

about love

that will break your heart

and mold it back better

stronger

there's nothing so true

nothing to do

but to try

and to fail

and to try again

every path you don't take

will leave you heartbreak

but so will the paths that you do

don't wait for the answer

live

love

find the person who's waiting for you
